

# WOODFIELD HOMEOWNERS ASSOCIATION

## ARCHITECTURAL GUIDELINES

---

### Entrance Doors

#### Style

- 6-Panel Door with embossed or raised panels (style would be similar to new garage doors)  
*This applies to all new door installations as of February 2006.*

#### Material

- Wood, Fiberglass or Steel
- Must be **solid core construction**
- Paintable surface

#### Color

- Must be painted in **glossy** paint
- Color to match that of the existing door

#### Hardware

- Finish options are Antique Brass, Antique Pewter
- Finish must match Porch Light, if one exists

#### ***Professional Installation Strongly Recommended***

***Special Note:*** *If replacing door and hardware, but not porch light, choose from list of new approved door hardware finishes. In future when porch light is replaced, it must then match door hardware.*
